### **ATTAIN Computer Lab**

The ATTAIN Lab features state of the art equipment and user-friendly software that will help students gain a competitive edge when applying for jobs that require higher levels in technology and academics.

The ATTAIN Lab offers occupational, academic and life skills courses to enrolled participants. The courses are individualized and self-paced, therefore, participants can design programs to meet their professional and personal needs. Academic Series include High School & College Proficiency in Math, Reading & Writing, Vocational Programs in Child Care Series, Carpentry, Electric, Plumbing, Customer Service, Health Care Worker, Intro to Office Technology, Nursing Assistant, Parenting and Cosmetology.

HSE Prep classes offered  
Monday-Thursday 12pm-3pm

### **Service Coordinator Program**

This program works to promote the development of local strategies to coordinate the use of assistance under the program with public and private resources, for supportive services and empowerment activities. The goals of the Service Coordinator Program are to:

- ◆ Increase earned income and reduce or eliminate the need for welfare assistance
- ◆ Make progress towards achieving economic independence and self-sufficiency through classroom training, workshops, employment, health & wellness services.
- ◆ We can also assist you with satisfying community service hours.
